

Stewart SLP Scholarship Application: 60-Minute Sessions

About the Scholarship Fund

At Stewart SLP, our goal is to identity and treat communication difficulties in children. We understand that the expenses associated with speech-language services can be challenging for some families. The Stewart SLP Scholarship Fund was launched in 2021 as a way of bridging that financial gap. Our Scholarship Fund is the result of generous donations by community members and Stewart SLP.

Terms of Scholarships

- 1. When granted, scholarships will cover the established amount of service costs for up to six months of services (i.e., one hour of therapy per week for 24 weeks). If additional funds are needed after six months, families may re-apply for a new scholarship with no guarantee of continuance.
- 2. Ongoing dissemination of scholarship funds is contingent on excellent attendance and regular completion of home practice to ensure maximal progress in treatment.
- 3. Scholarship funds will be applied directly to monthly statements with remaining amounts (if any) payable to Stewart SLP on a monthly basis.
- 4. Scholarship applications and awarding of scholarships will remain confidential within Stewart SLP.
- 5. If you receive insurance reimbursement in an amount exceeding your family contribution to services, please consider donating that amount back to the Scholarship Fund to help other families.
- 6. Scholarship funds may be used to cover services; any driving fees are the family's responsibility.

Scholarship Amounts

Stewart SLP will consider Scholarship Applications in the order they are received. We will notify applicants about the status of their application within 2 weeks of receiving the application. Please contact Nicole Stewart at 248-206-0468 or nicole@stewartslp.com with any questions or concerns.

Our goal is to support any family in need. Realistically, the Scholarship Fund will fluctuate over time. Scholarship amounts will be determined based on availability of funds and family need. Please consult the options on the application form and carefully consider what amount your family can contribute toward the cost of services. Select the payment option that best fits your family's needs.
